In the event that this Paper is late  
filed, and the necessary petition for  
extension of time is not filed  
concurrently herewith, please  
consider this as a Petition for the  
requisite extension of time, and to  
the extent not tendered by payment  
attached hereto, authorization to  
charge the extension fee, or any  
other fee required in connection with  
this Paper to Account No. 06-1378.

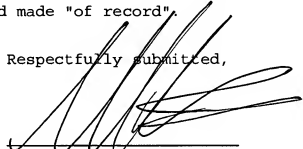

Each of the cited publications is considered relevant or material to the patentability of the present invention in view of the citation thereof in said communication and for the reasons stated in said communication.

Please note that JP 05-125127 and JP 2004-190038 are discussed on pages 1-3 of the specification.

It is therefore respectfully requested that the cited publications be considered and made "of record".
